Re: Request for Speed Cameras and Possibly Red Light Cameras
On Grand Avenue, between 64 Street and 61 Street
(This is the block of Saint Stanislaus School.)

Dear Borough Commissioner Garcia:

I am informed that there is excessive speeding on Grand Avenue, between 64 Street and 61 Street, in Maspeth. Saint Stanislaus School is on this block, located at 61-15 Grand Avenue. Some of the worst times for speeding are reportedly from 11am to 2pm.

Please ask the responsible NYC DOT supervisors to survey this part of Grand Avenue for installation of "Speed Cameras", "red light cameras", and other ways to stop or greatly reduce this speeding problem.

Sincerely,

Gary Giordano
District Manager
